

REGIONAL OFFICE OF EDUCATION ORGANIZATIONEDUCATIONAL PHILOSOPHY

The Regional Office of Education of Champaign-Ford Counties #9 officials, as legal officials of the state of Illinois, feel obligated to the students, parents, and staffs of Region #9 to see that their educational needs are met in the best possible manner. The Regional Office, its administration and staff will exhibit leadership in all endeavors toward the improvement of educational programs.

The Regional Office of Education and its Superintendent believe that the educational program should provide each student with the opportunity to develop to his/her fullest capacity in the areas of academic, physical, and emotional needs, regardless of race, sex, handicapping condition, socio-economic status, or academic aptitude.

The Regional Office of Education and Regional Superintendent endorses the following goal statements for Region #9:

1. To develop educational programs and opportunities that provide a solid foundation for all students in Region #9;
2. To establish a physically, socially, emotionally, and intellectually healthy environment for teaching and learning;
3. To effectively communicate and have a mutual understanding among staff, students, parents, and community so that all may work in concert to achieve an outstanding educational program;
4. To make appropriate recognition of and efficient use of community resources;
5. To continue efforts to recruit and retain a highly skilled and committed staff and to promote the professional growth of this staff;
6. To provide a sound, long-range plan designed to meet future needs;
7. To make the best use of the Regional Office of Education facilities;

EDUCATIONAL PHILOSOPHY

8. To advise and inform the public and ROE school districts of Regional Office of Education activities and seek their advice;
9. To provide the highest moral and professional leadership; and
10. To maintain priorities consistent with the educational goals and philosophy of the Regional Office of Education.
