

REGIONAL OFFICE OF EDUCATION

REGIONAL OFFICE OF EDUCATION POLICY DEVELOPMENT – Preliminary
Development

Adoption of new policies or changing an existing policy is solely the responsibility of the Regional Superintendent.

Proposals for new policies or changes in existing policies may be initiated by the Regional Superintendent or any member of the administrative team. Members of the staff may initiate consideration of policies, which shall be processed through regular administrative channels. The proposals shall be made in writing to the Regional Superintendent and his/her administrative team.

The Regional Superintendent or his/her designee shall be responsible for transcribing group consensus about policy recommendations into acceptable written form for further deliberation and/ or action by the Regional Superintendent.

The Regional Superintendent shall seek the counsel of the Champaign County State's Attorney when there may be a question of legality or proper legal procedure in the development of a proposed Regional Office policy.

The Regional Superintendent shall reach consensus over policy with other entities in cooperative ventures or intergovernmental agreements.
