

REGIONAL OFFICE OF EDUCATION

ROE POLICY DEVELOPMENT – Policy Adoption

Policies or policy revisions considered by the Regional Superintendent shall not be adopted at the administrative team meeting at which they are introduced.

Further consideration shall be given at one or more subsequent meetings before action is taken.

Temporary approval, however, may be granted by the Regional Superintendent in lieu of formal action to meet emergency conditions or special events that may occur before formal action can be taken.

Approved: 07/01/01
