

OPERATIONAL SERVICES

GOALS AND OBJECTIVES

Adequate financial support is necessary to operate the Regional Office of Education and provide quality services and programs. To make that support as effective as possible, the Regional Superintendent will:

1. operate on a fiscally sound basis within a balanced budget;
2. require maximum efficiency in the expenditure of funds and in accounting and reporting;
3. provide a clean, comfortable, safe environment which facilitates the offering of services and programs;
4. provide an adequate supply of material and equipment needed in operating the services and programs; and
5. secure community understanding and support of the fiscal requirements of a good Regional Office of Education program.
