FISCAL MANAGEMENT – EXPENDITURES – Fair Employment

The Regional Office of Education shall not enter into a contract with any firm that does not have written affirmative action/equal employment opportunity programs and/or has discriminatory employment procedures.

When, in the opinion of the Regional Superintendent, any person or firm doing business with the schools fails to comply with the requirements of this policy, the firm shall be given notice and asked to show cause why the Regional Office of Education should not declare them ineligible to do business with the District. Refusal by any firm to show cause shall result in disqualification from doing business with the schools until the policy of such firm conforms with the policy outlined above.
