

OPERATIONAL SERVICES

SAFETY PROGRAM – Bomb and Other Threats to Staff or Students

The Regional Superintendent, in conjunction with the City of Rantoul Police Department, shall establish procedures to be followed in the ROE or related offices in the event of an emergency resulting from a bomb or other threats to the safety of staff or students.

The Regional Superintendent or his/her designee shall specify a course of action to be taken by office personnel in the event of a threat. The ROE shall provide a suggested sequence of events and make provision for any necessary inservice in order to prepare appropriate staff to handle the situation.
