

PERSONNELGENERAL PERSONNEL - SchoolWorks Consultants

The Regional Office of Education employs consultants to assist ROE SchoolWorks, schools in Champaign-Ford-Vermilion Counties, and in some cases schools or services outside of the Champaign-Ford County region. Consultants for ROE SchoolWorks must adhere to the following requirements:

1. Consultants may not accept payment for services provided to schools in Champaign, Ford and Vermilion Counties.
2. Consultants may not accept payment for services that are provided on time for which they are compensated by ROE SchoolWorks.
3. Consultants may provide services to schools outside the area covered by Champaign-Ford-Vermilion Counties or to organizations such as another ROE, ISBE, or a Technology Hub on a contract day if approved by the ROE SchoolWorks Director. If compensation is offered for services, the money will be paid to ROE SchoolWorks. The compensation should cover the salary and benefits of the employee.
4. Consultants may request an extension of their contract to provide services to other organizations such as another ROE, ISBE, or a Technology Hub on time for which they would not normally be compensated. The request should be made to the ROE SchoolWorks Director. The contracting organization will pay the ROE SchoolWorks who will extend the contract of the consultant and pay for the additional days. The compensation should cover the salary and benefits of the employee.
5. Consultants may accept payment for services on time for which they are not paid by ROE SchoolWorks. Preparation and presentation must occur on the consultant's uncontracted time. The consultant must be clear with the contracting group that he/she does not represent ROE SchoolWorks. Consultants must obtain permission from the ROE SchoolWorks Director.
