GOALS AND OBJECTIVES – Equal Educational Opportunities

The Regional Office of Education is committed to providing educational programs and services designed to meet all student's individual needs and abilities. The ROE's educational environment will not discriminate against any individual for reasons of race, religion, color, sex, national origin, economic status, marital status, or handicap.

It shall be the goal of the ROE to ensure equivalence among teachers, administrators, support personnel, instructional materials, and supplies within reasonable identifiable differences that exist among academic disciplines and grade levels.
