RIGHTS AND REPOSIBILITIES – Dangerous Weapons

Possession or use of explosives, firearms, or other dangerous weapons or instruments shall be prohibited on buses, in Regional Office of Education school buildings, or on ROE school grounds at all times.

Students found to be in violation of this policy shall be disciplined by the administration on an individual basis according to the ROE's student discipline policy. The building administration shall notify the parents of the action taken and shall notify juvenile authorities. In cases of suspension or expulsion, the ROE shall follow procedures required by state law and ROE policy.
