RIGHTS AND RESPONSIBILITIES – Student Voter Registration

Students shall be provided the opportunity to gain an understanding of the democratic process. Included in the process is the knowledge of a person's voting rights and responsibilities in local, state, and national elections.

In order to exercise his/her voting privilege, a student first must be registered as a voter in his/her county of residence. To expedite registering this procedure, the Regional Office of Education may offer the service to eligible students.

Eligible ROE students may register during the months of May and September for voting by following the prescribed administrative procedures.
