STUDENT ACTIVITIES – Student Solicitations

The Regional Office of Education shall strive to safeguard students and their parents from money raising plans of profit-making organizations, commercial enterprises, and individuals not officially authorized by the ROE to engage in such activities.

This policy applies particularly to ticket sales and sales of articles or services except those directly sponsored or handled by the school authorities. Profit-making organizations shall not be permitted to advertise events through the school or employ students to sell tickets except those activities officially sponsored by the school, parents, or teachers.

Even when authorized, all information, advertising, tickets, and other materials must carry the name of the co-sponsors.

The Regional Superintendent shall develop or cause to be developed guidelines for distribution of materials information, etc., through the school.
